...while maintaining double-digit growth for five consecutive years

Online advertising year-on-year growth (%)

adex
Benchmark 2014

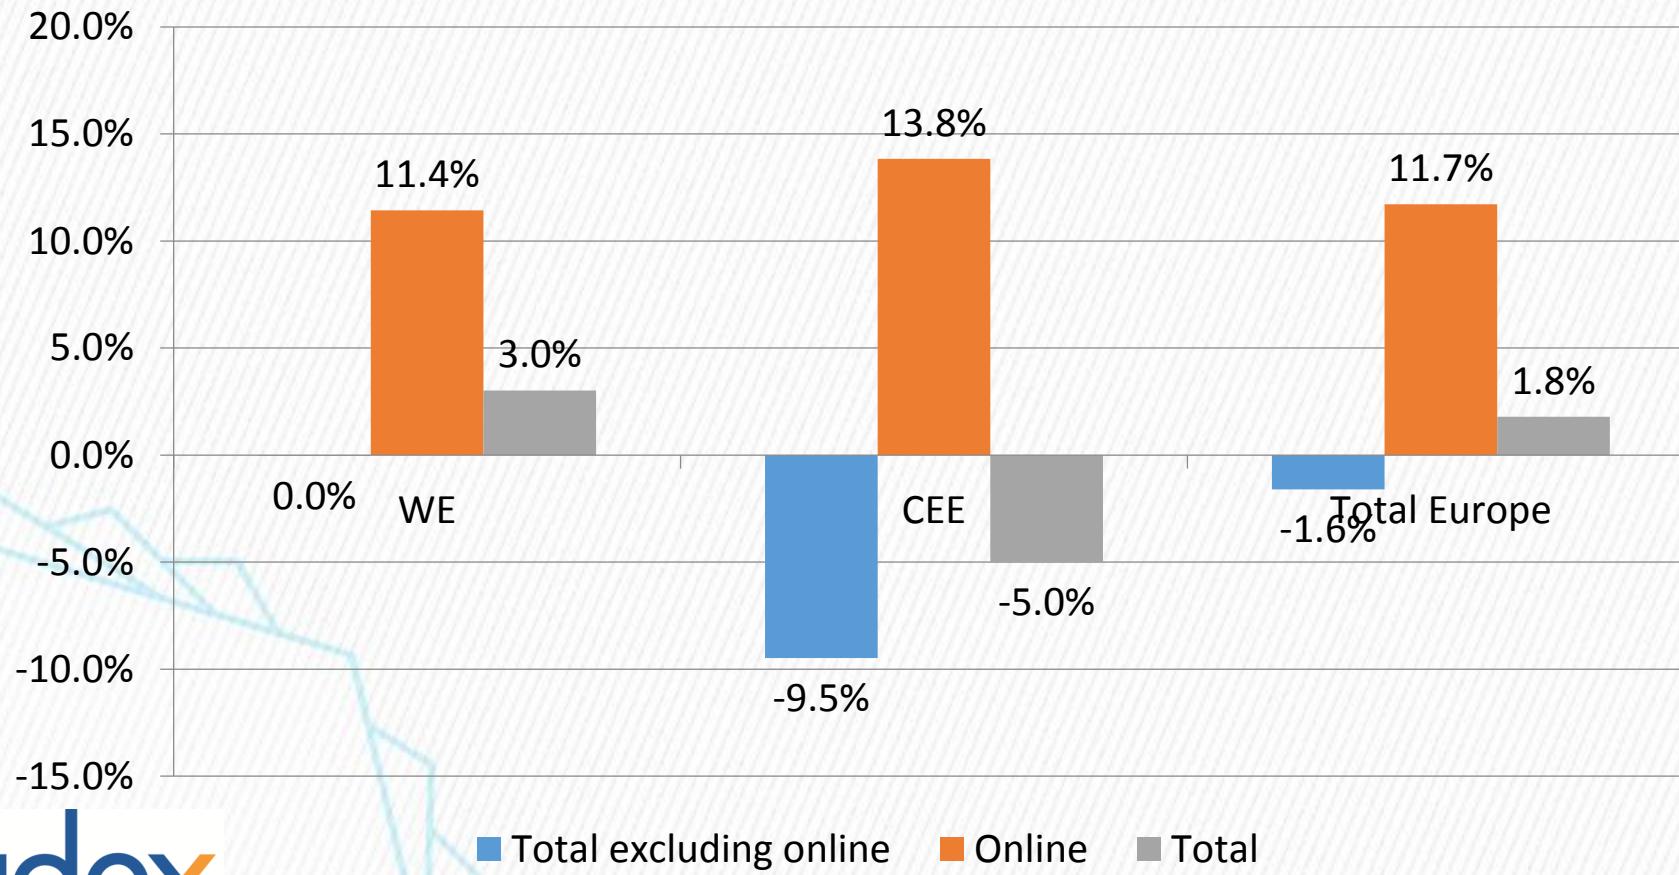

#Interact2015

@IABEU_Interact

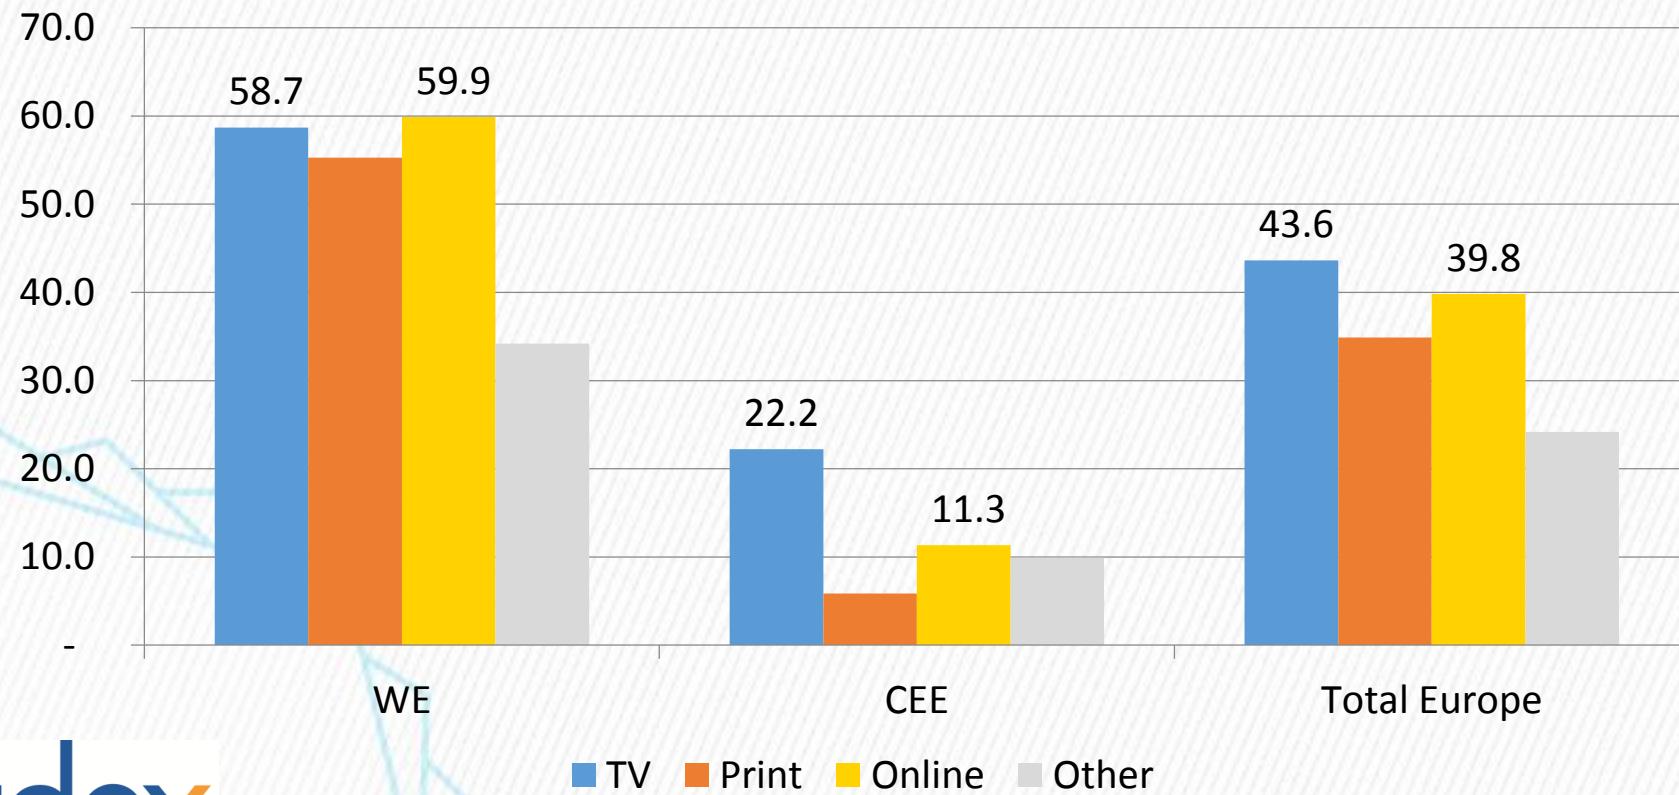

Online growth rescued overall European advertising market in 2014

2014: advertising year-on-year growth (%)

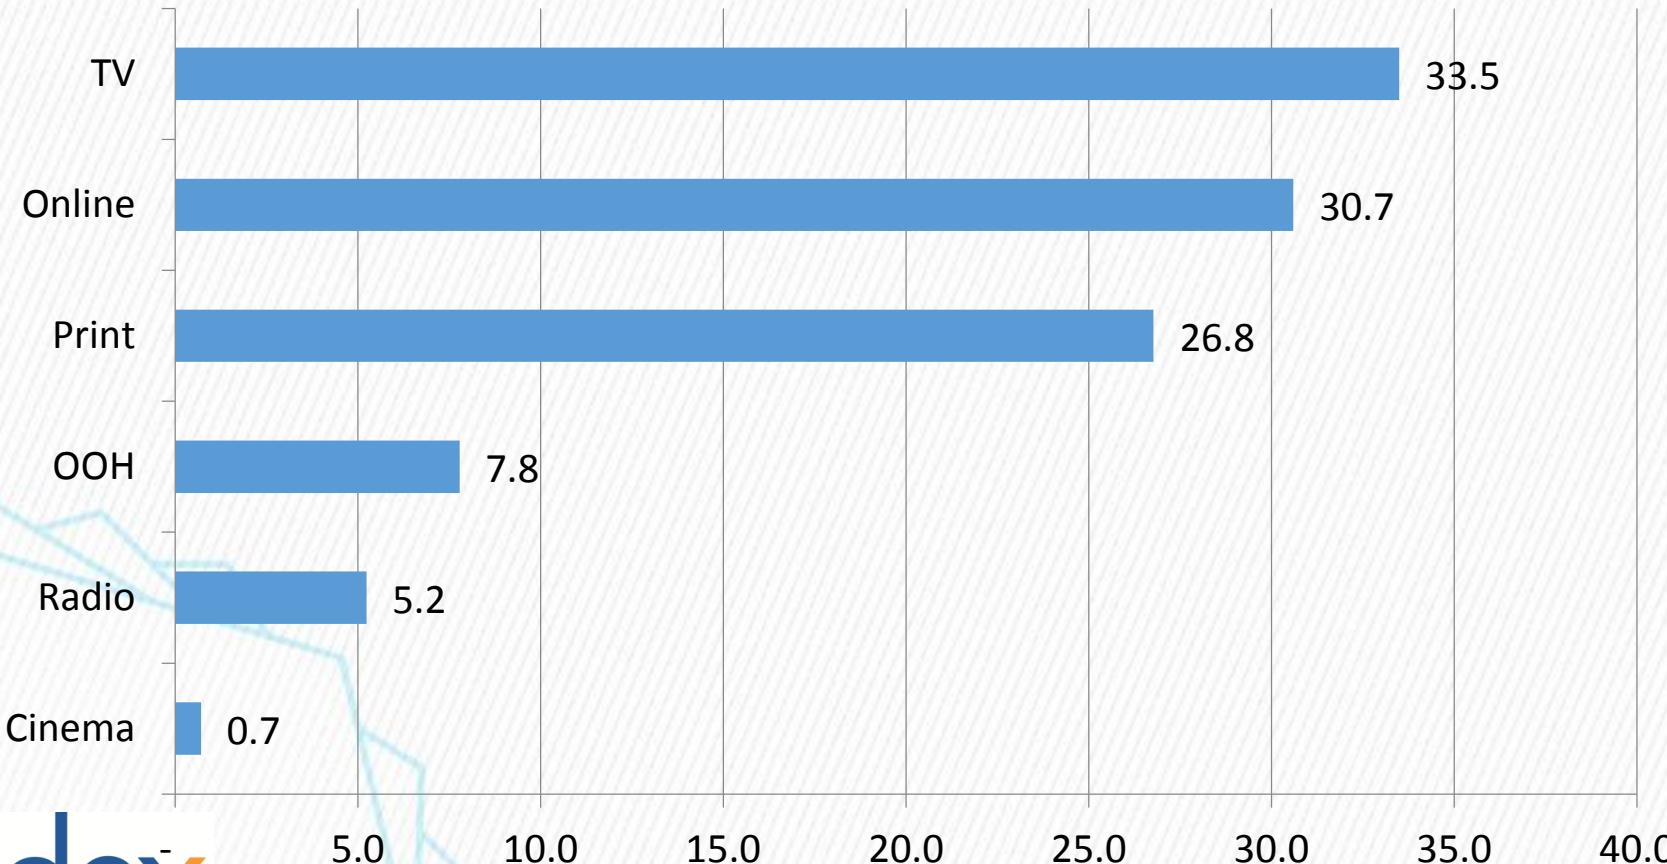

In Western Europe, online advertising spend per head for the first time exceeded spend on all other media in 2014

Ad spend per capita in 2014 (€)

Strong growth puts size of online ad market nearly on par with TV

Ad spend by category in Europe in 2014 (€bn)

Markets

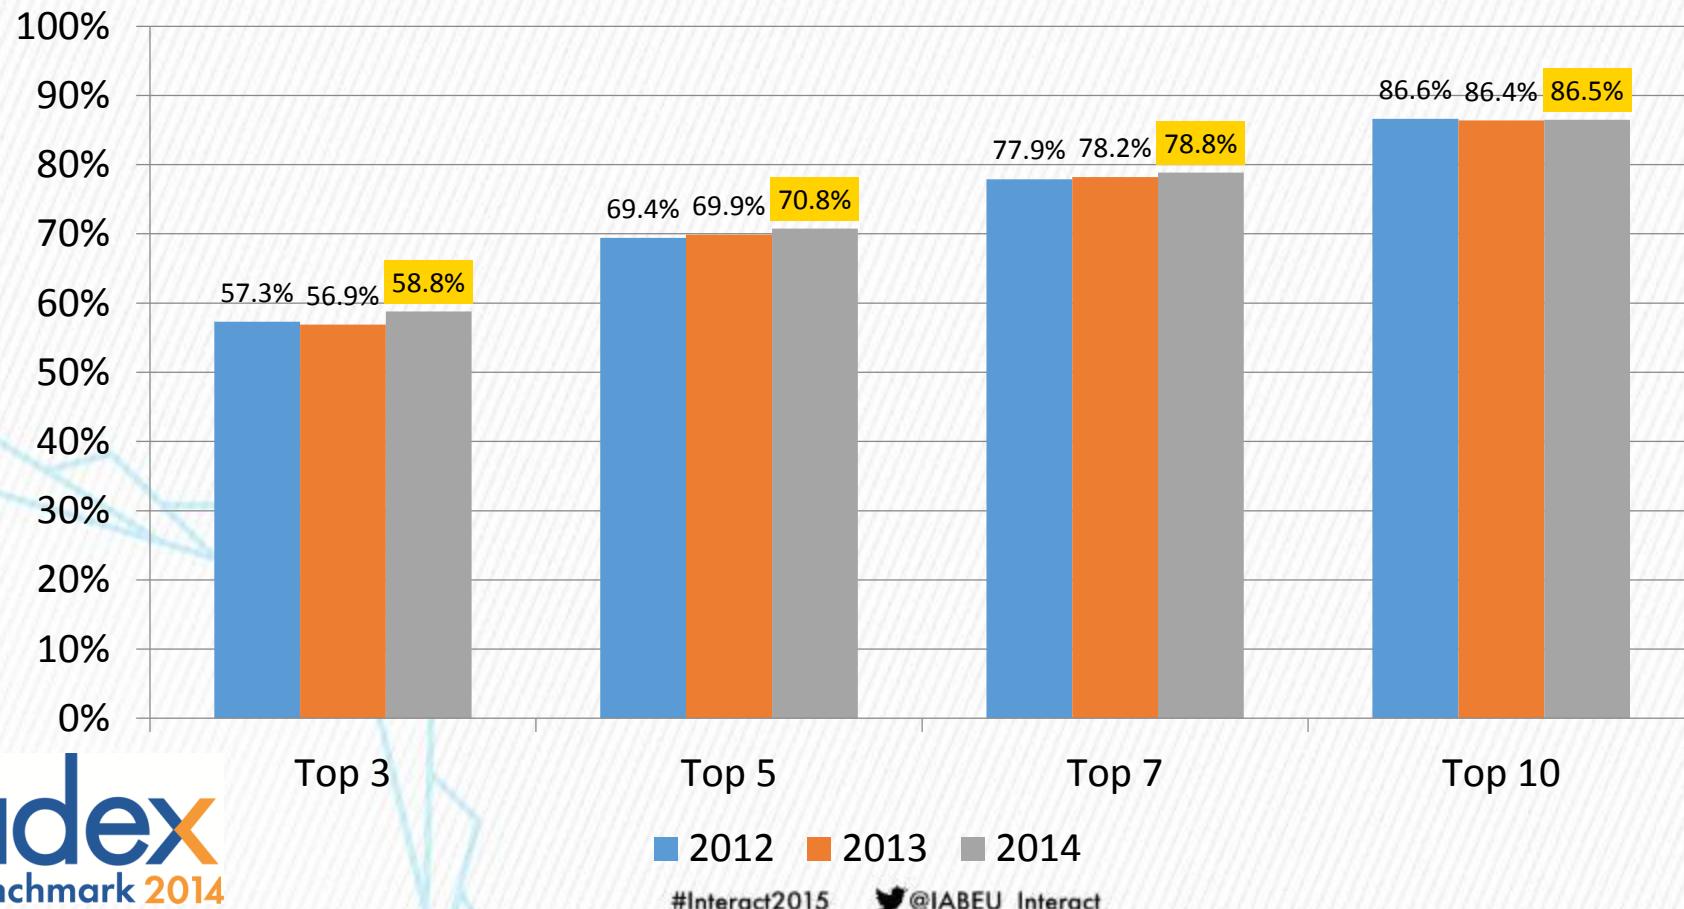

#Interact2015  @IABEU_Interact

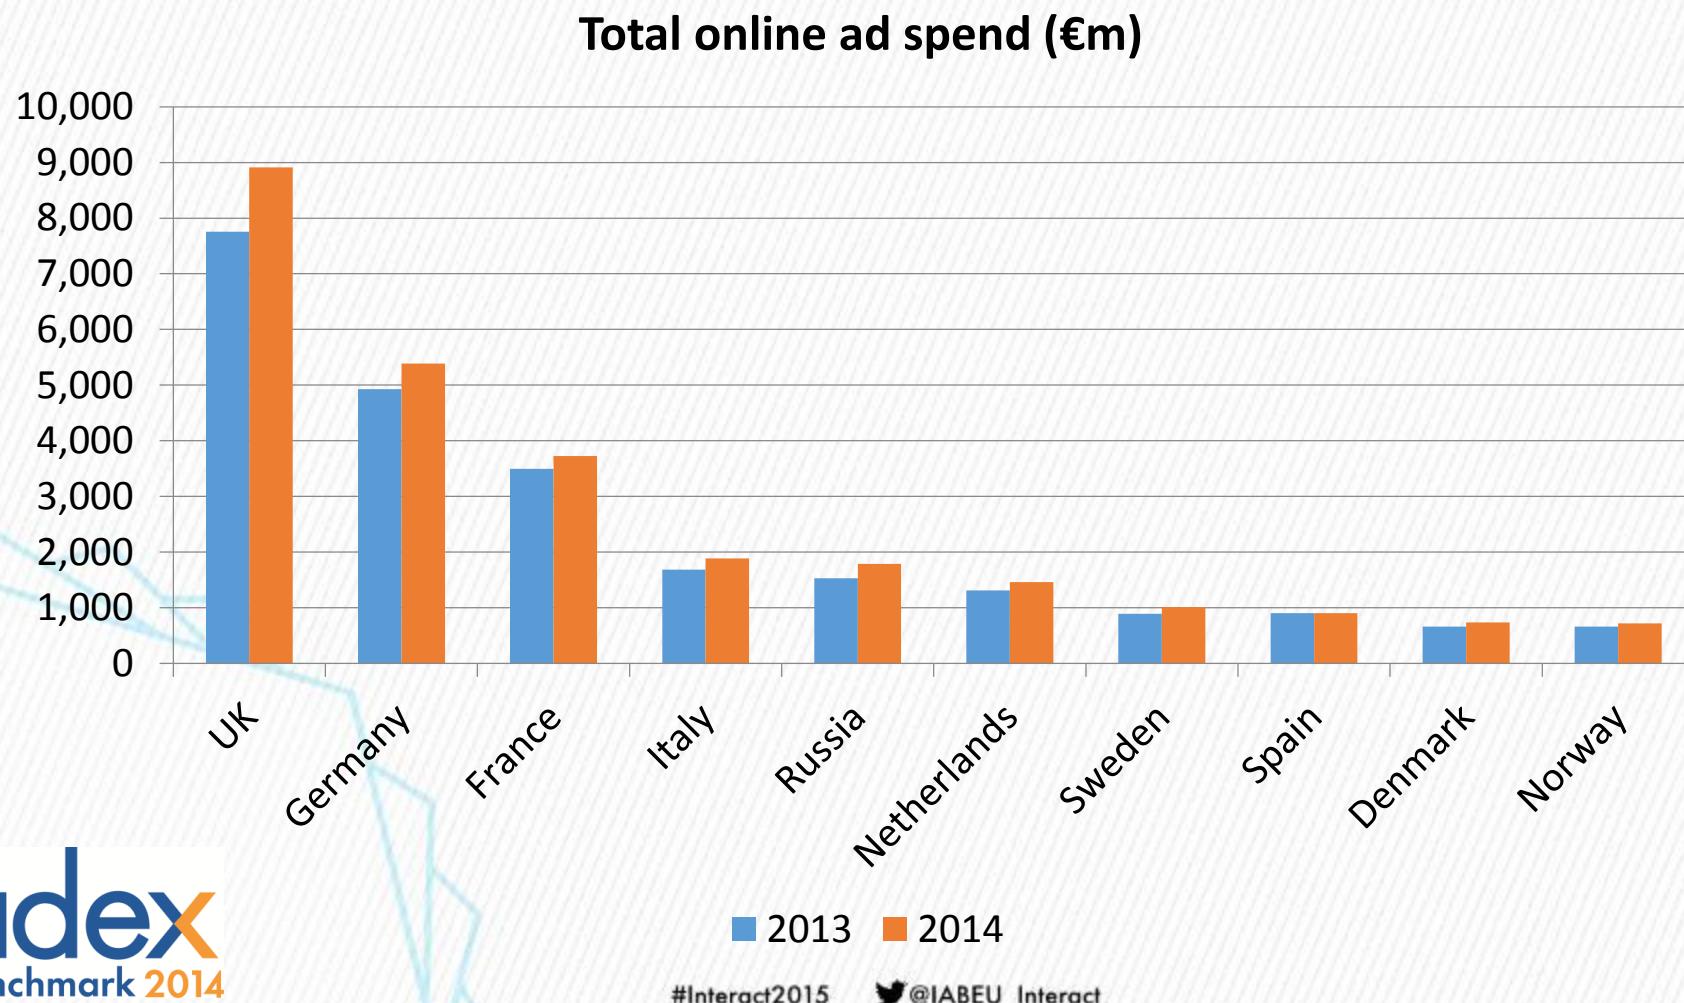

Over half of all European online ad spend comes from three markets; contribution by top 10 to total market stable

Share of European online ad revenue by market (%)

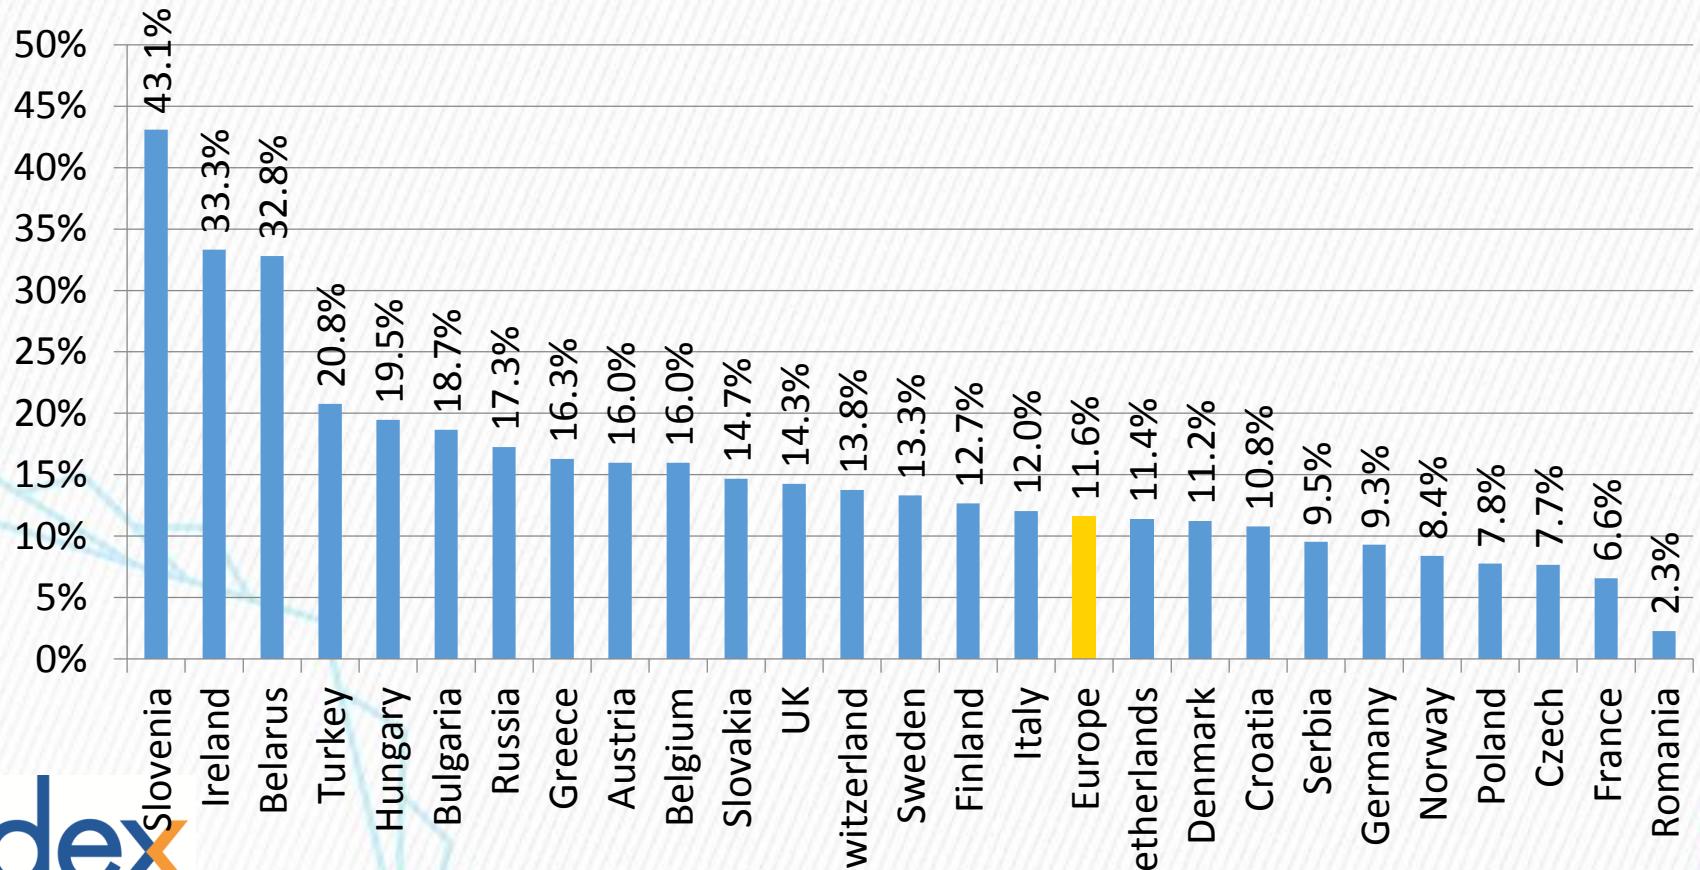

Top 10 European online advertising markets at a glance

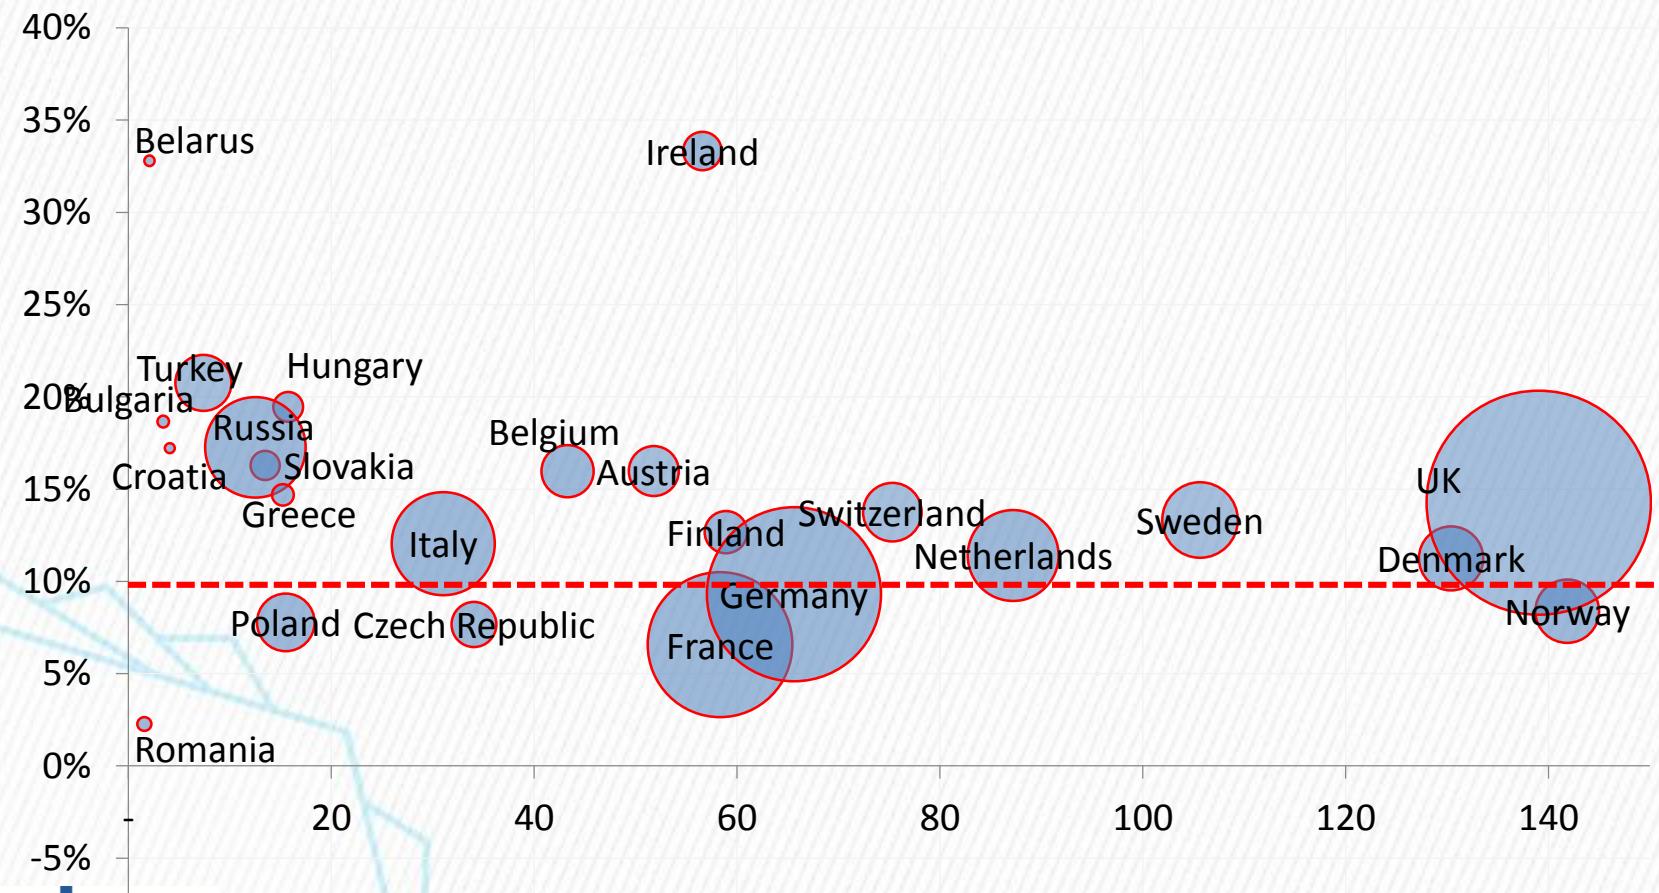

All European markets recorded positive growth in online advertising in 2014...

Online ad growth like-for-like in 2014 (%)

...and 20 markets grew double-digit

Growth drivers

Social media

Video

Programmatic transactions and data infrastructures

Improved data literacy on both demand and supply side

Mobile internet penetration increasing across all of Europe

Measurement initiatives in mobile and video taking effect

Growth hurdles

Viewability and fraud

Some cannibalization of desktop budgets by mobile

CPM/CPC inflation

Limited inventory in video

Attribution

Measurement issues remain despite improvements

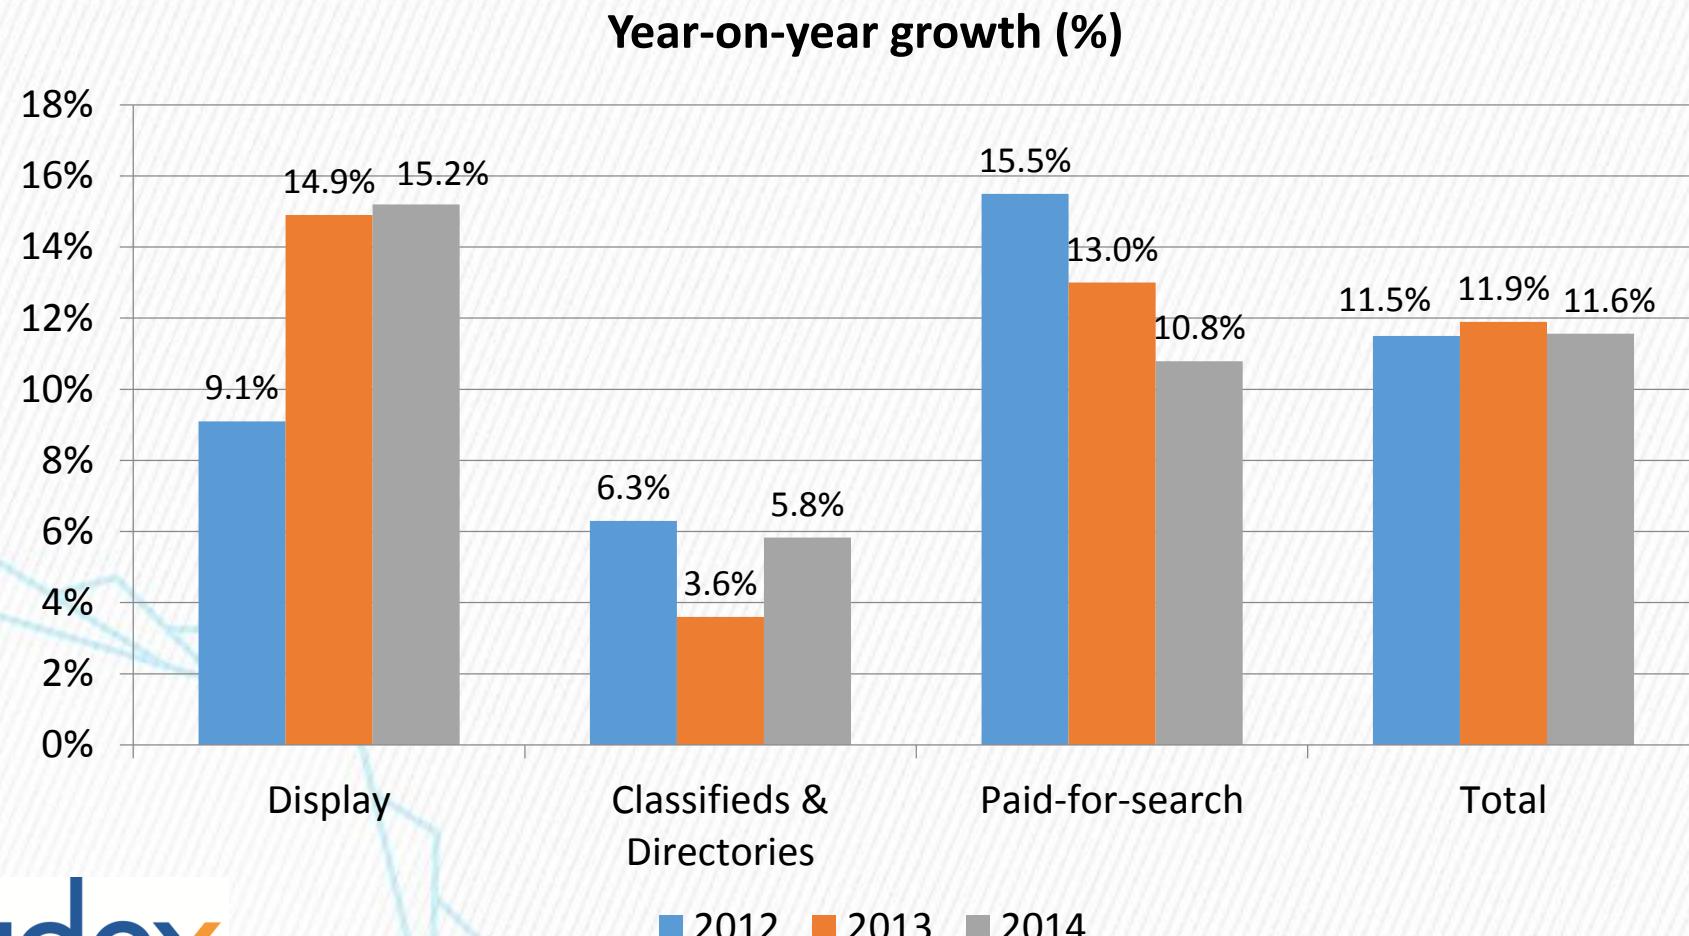

Formats

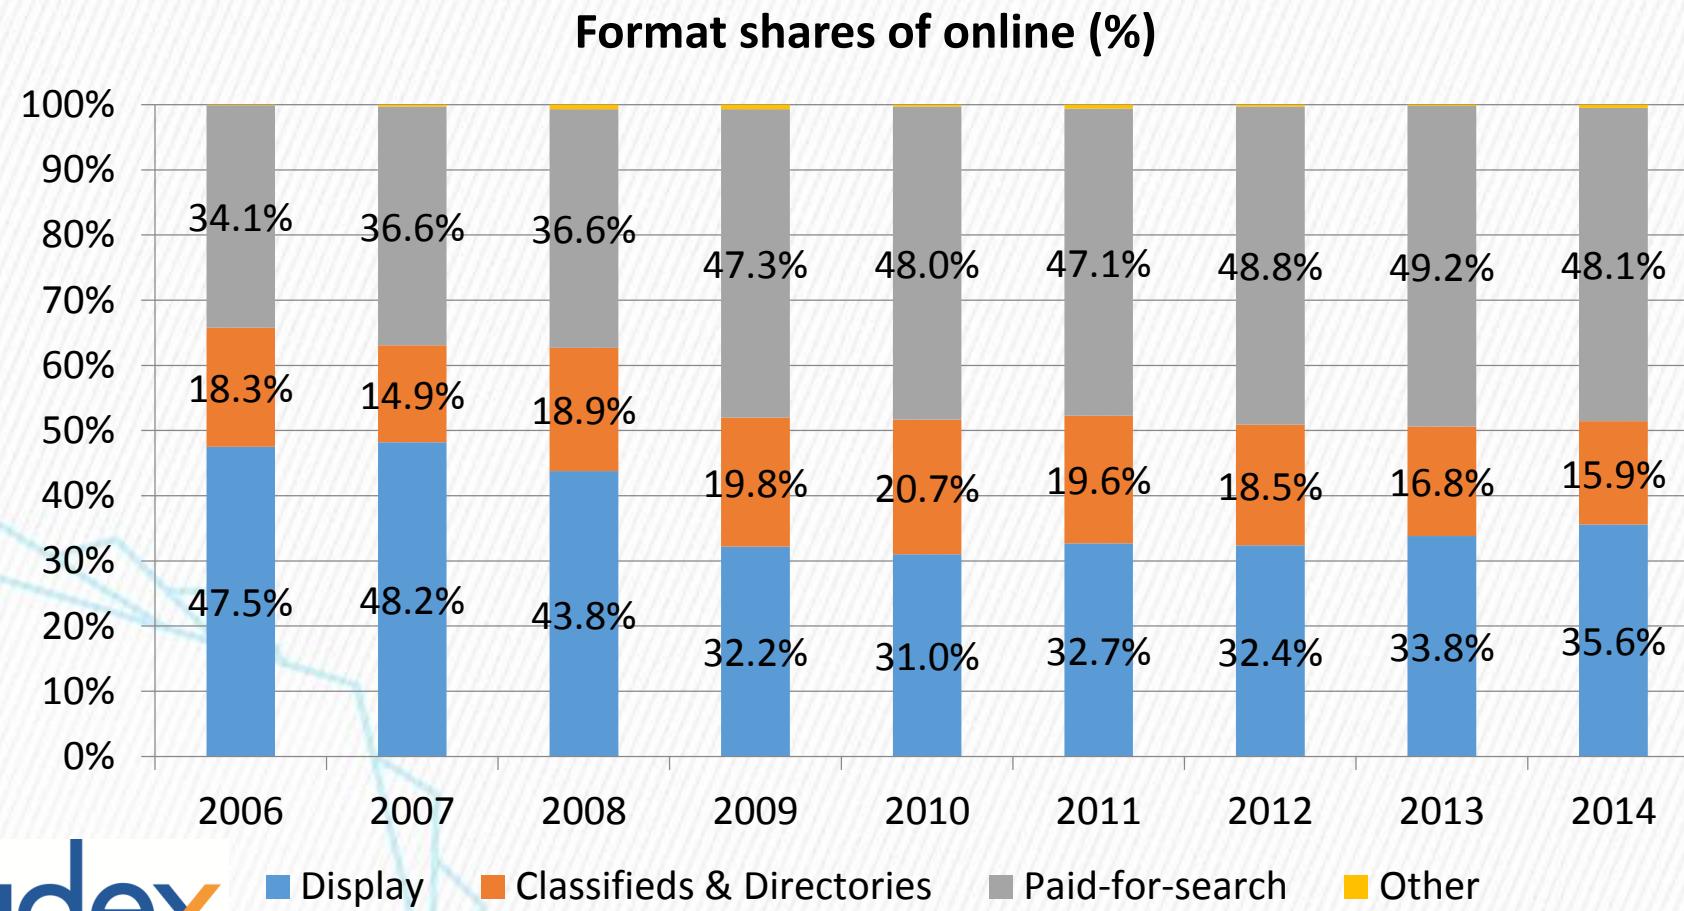

#Interact2015 @IABEU_Interact

Display drove online advertising growth in 2014

Display grew its share, eating into both Paid-for-search and Classifieds & Directories

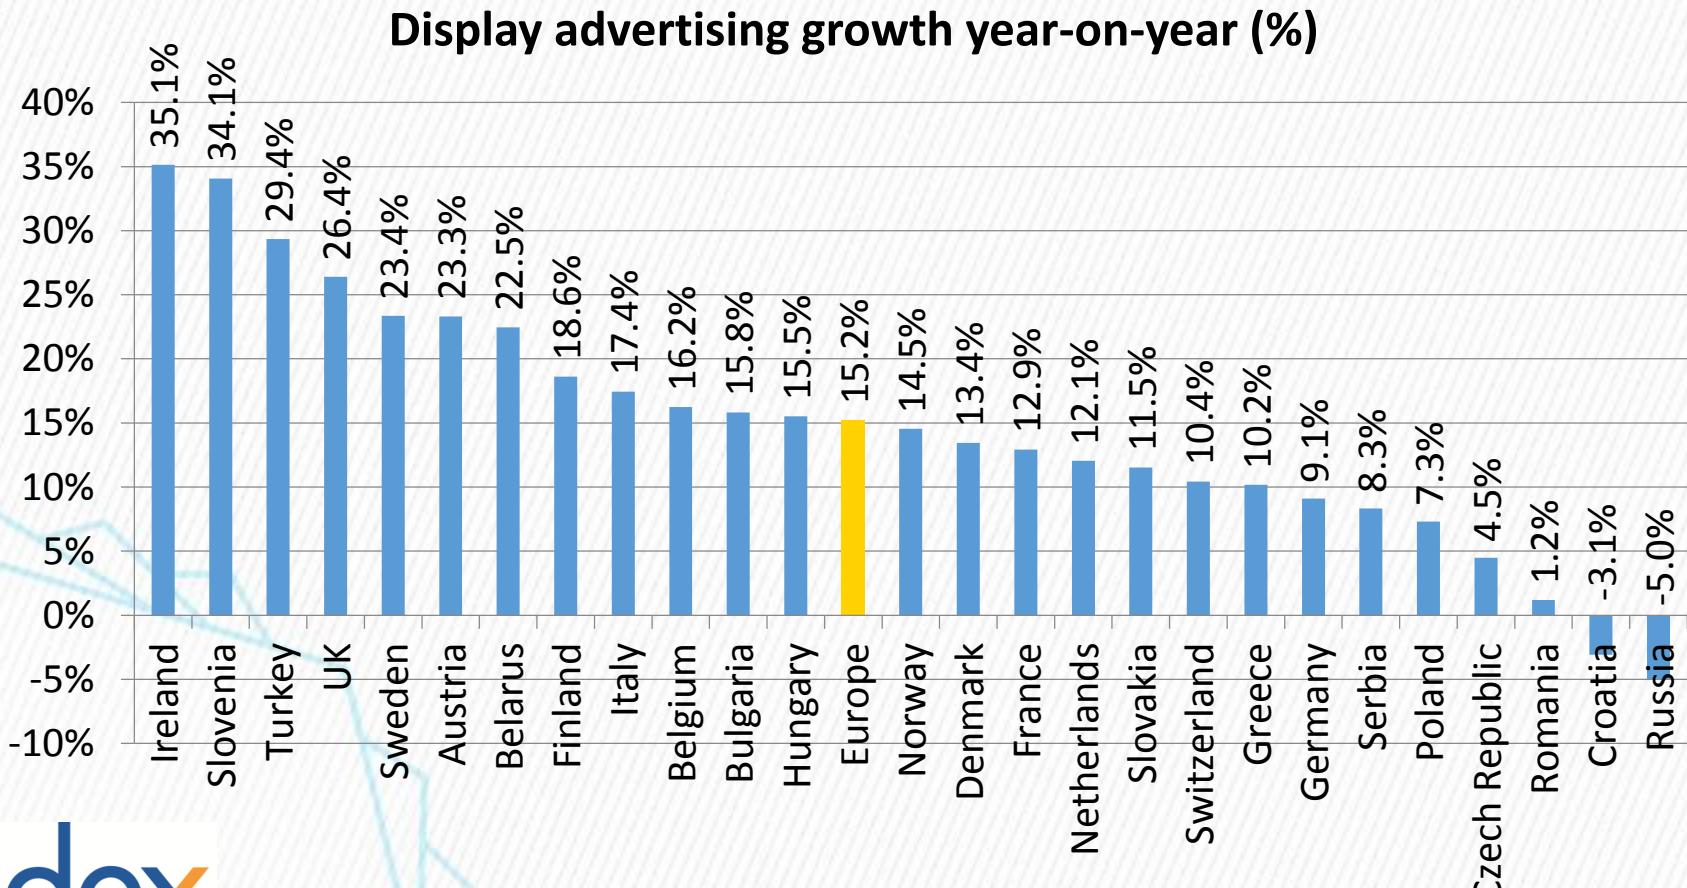

adex
Benchmark 2014

#Interact2015

@IABEU_Interact

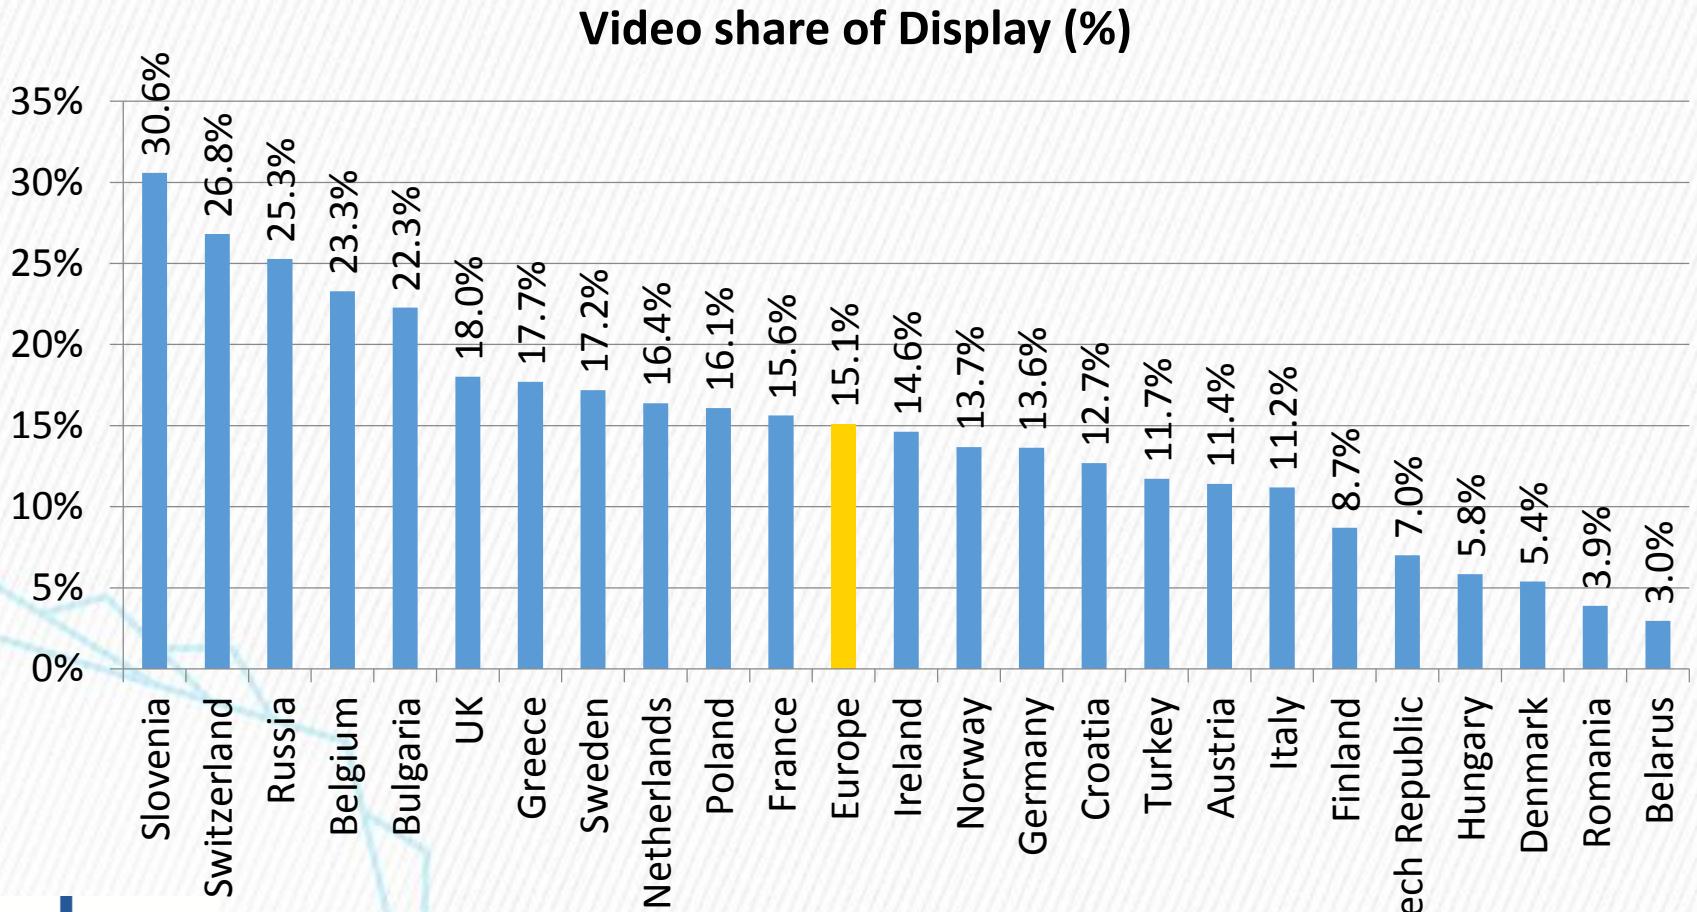

INTERACT
BERLIN
2015

Display showed uneven growth with a 40 percentage point range across markets

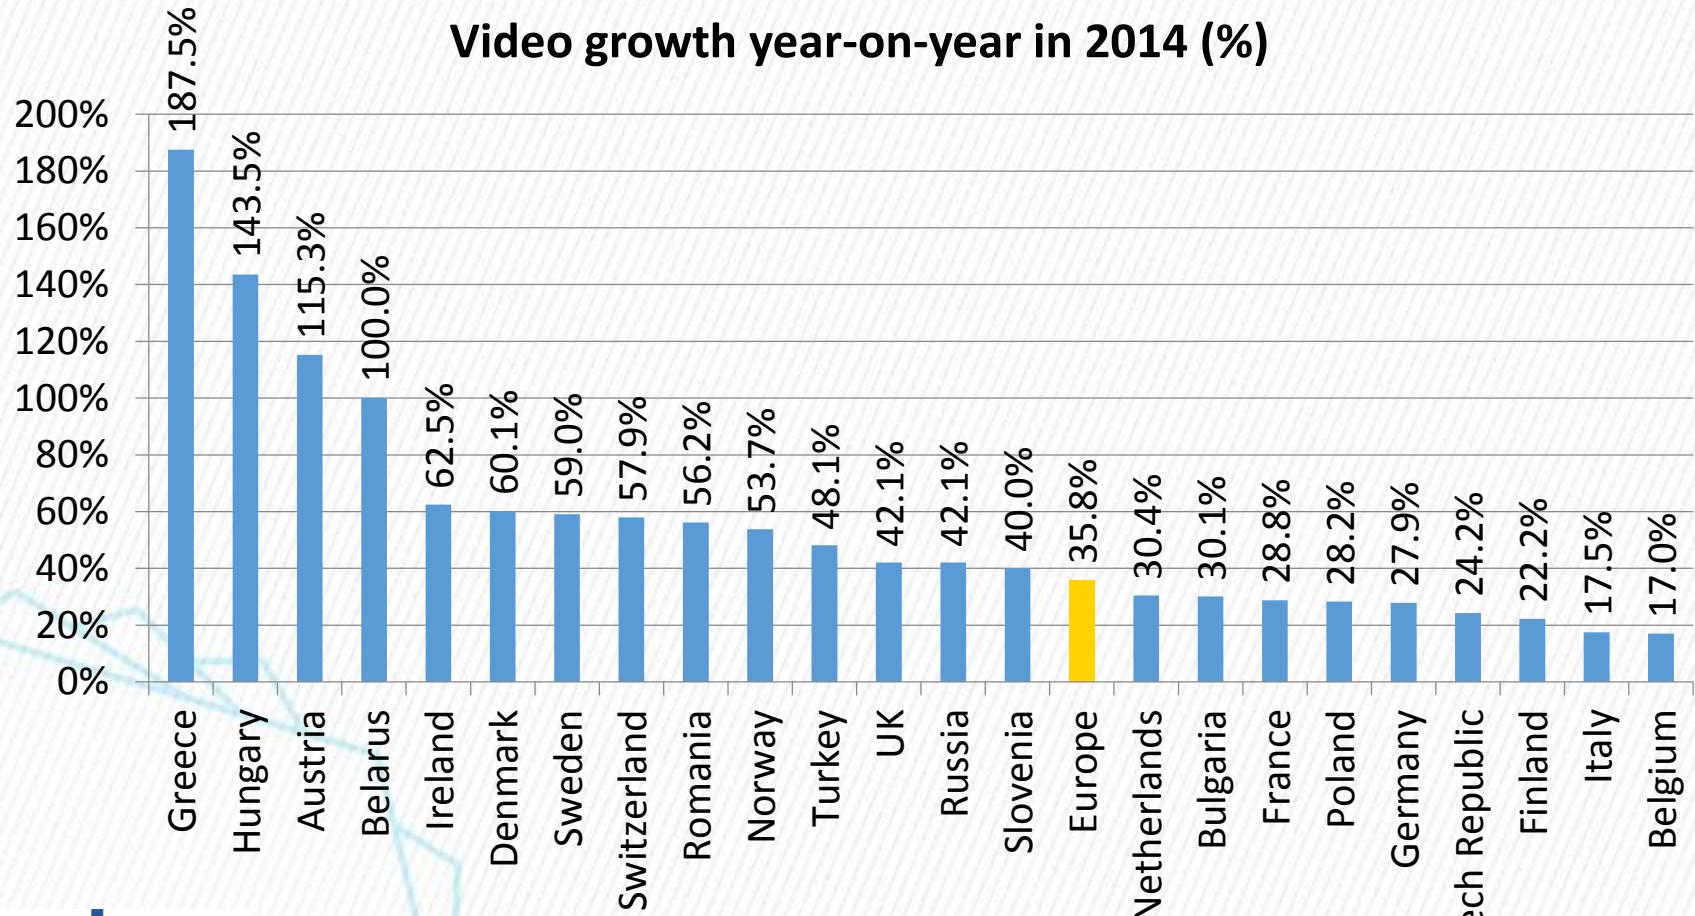

adex
Benchmark 2014

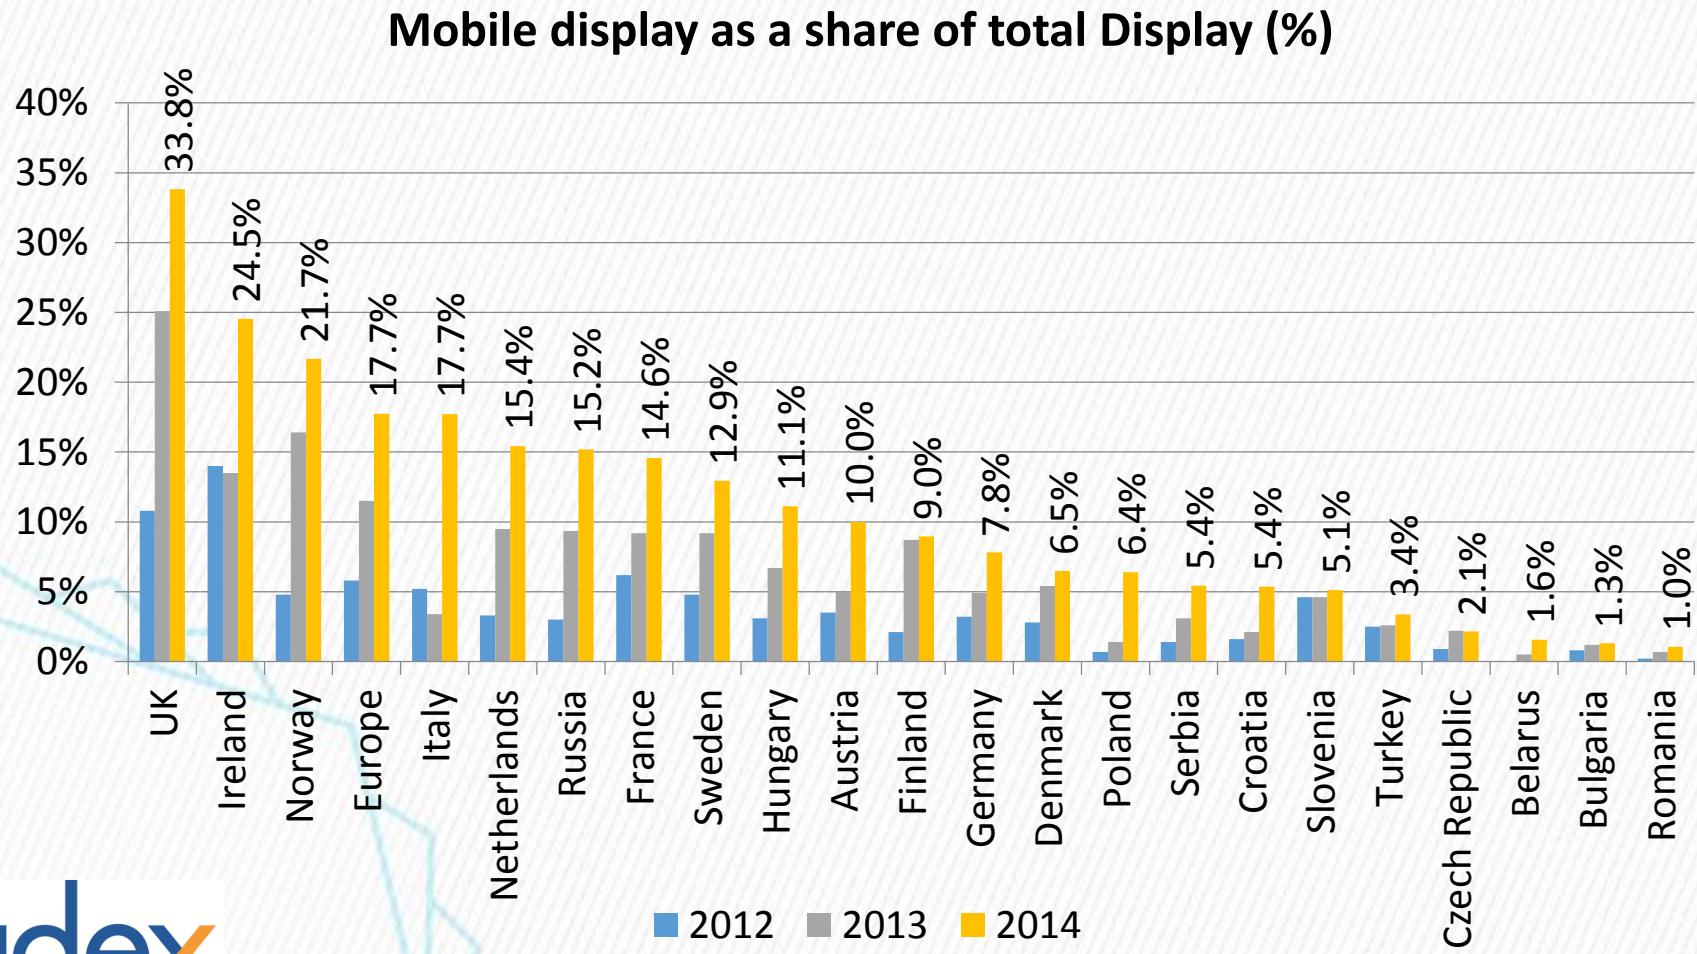

Video is now an integral part of online display advertising

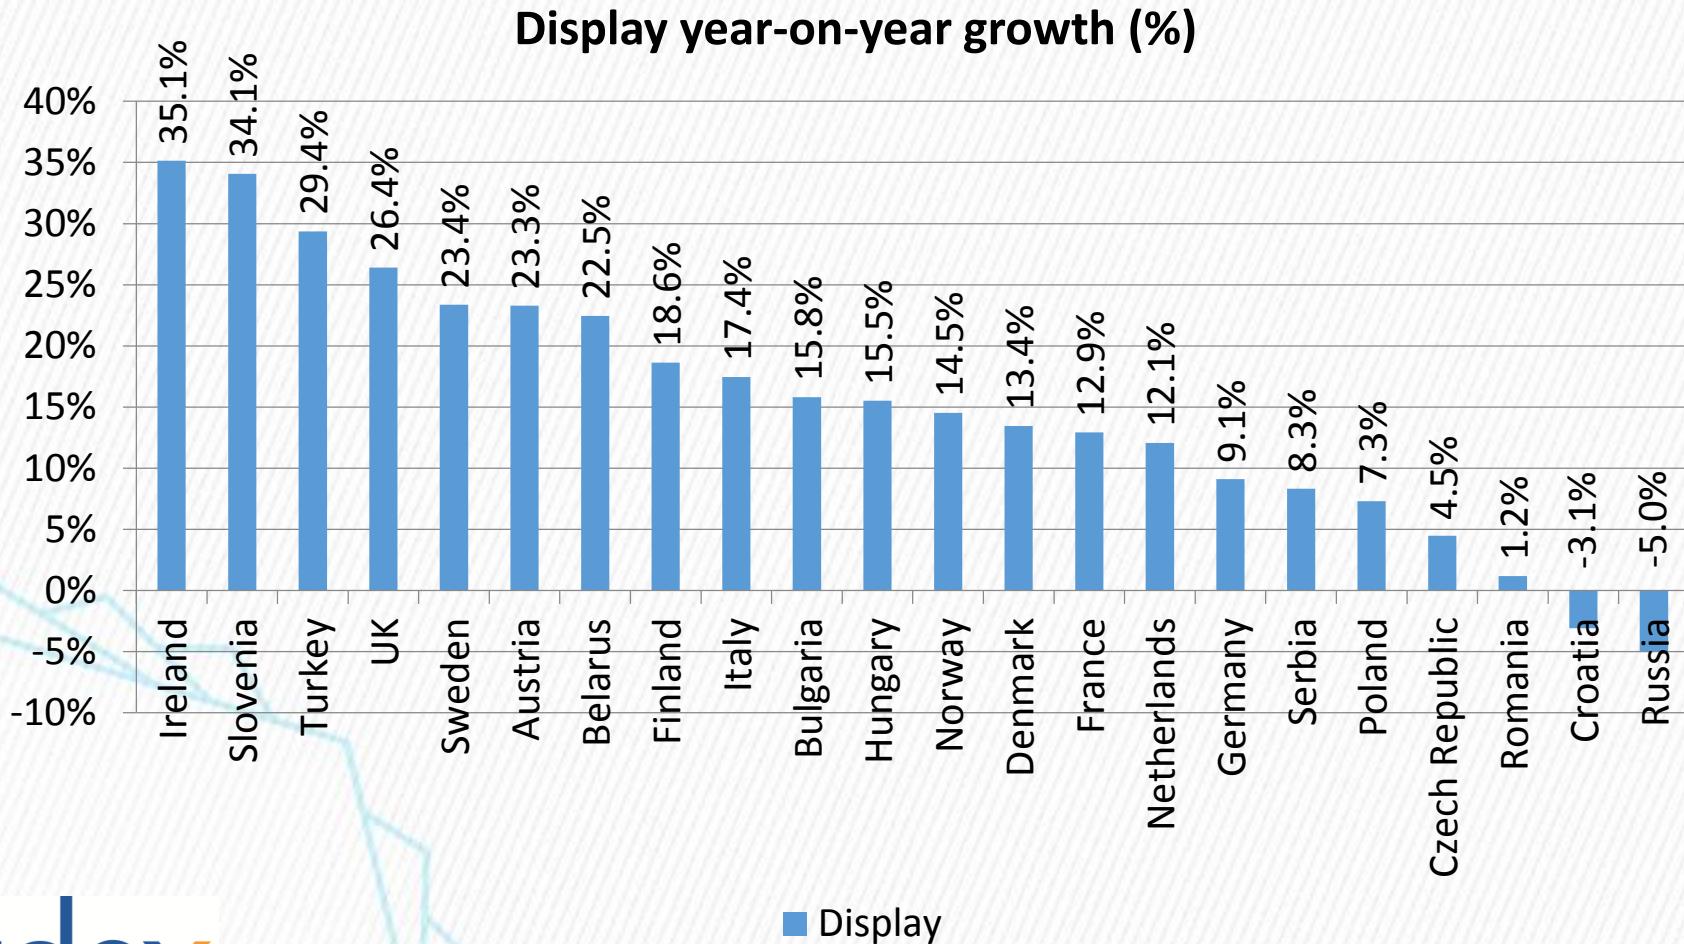

Video growth is at least double-digit in all markets

Mobile consolidates its position as key driver of display advertising

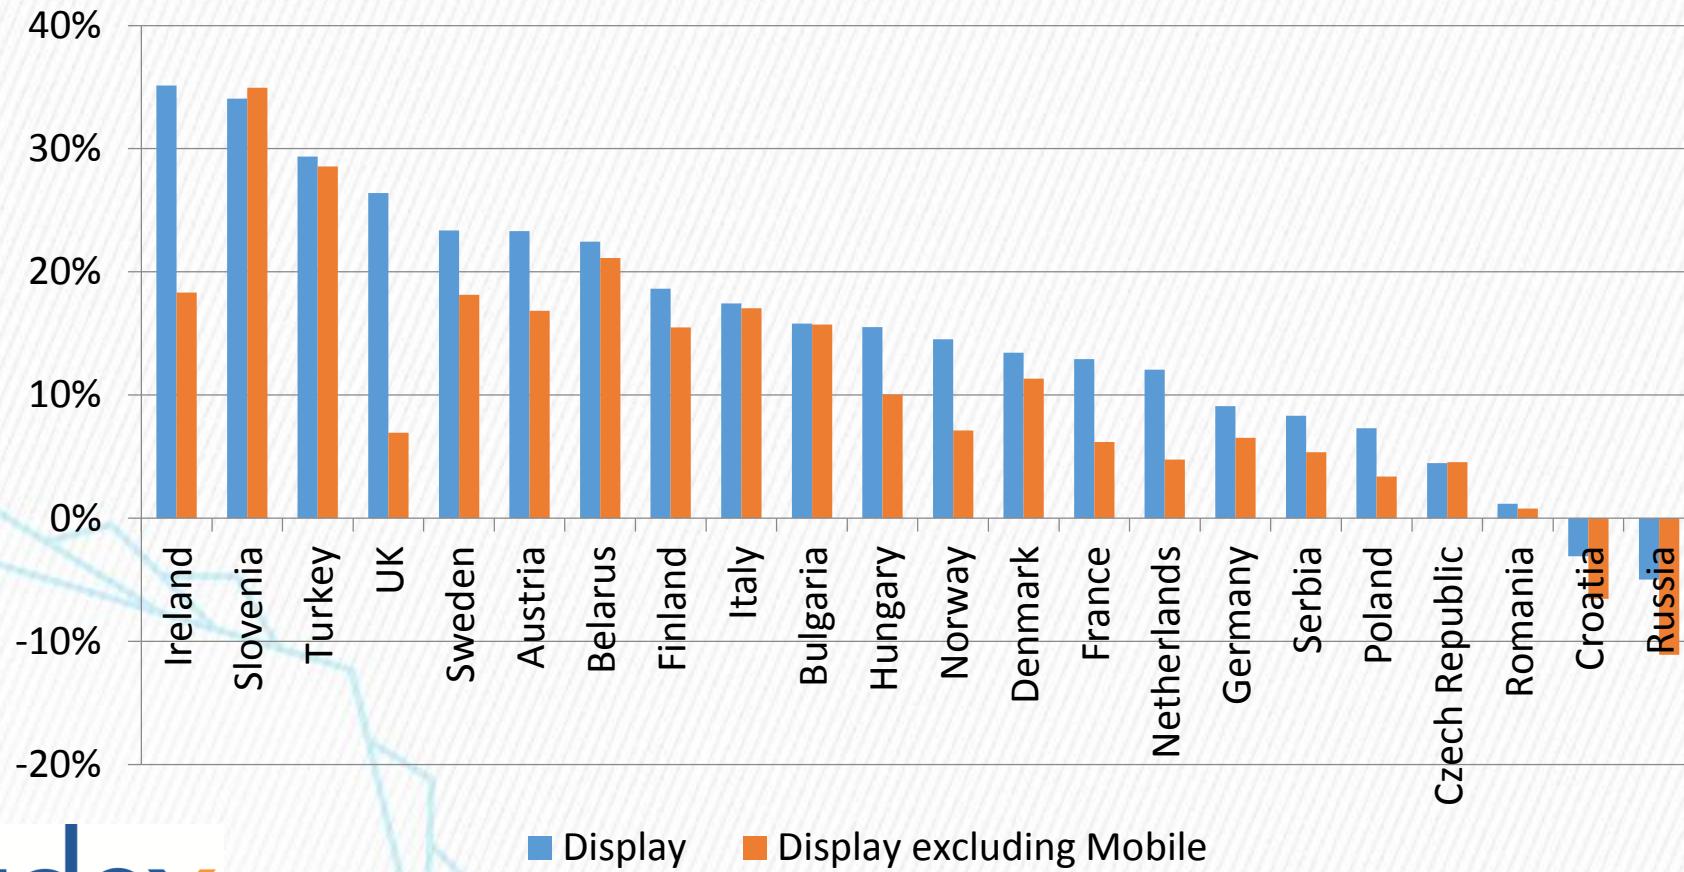

This is more evident...

...when we remove Mobile from Display

Display year-on-year growth (%)

Mobile was responsible for 50% of market growth

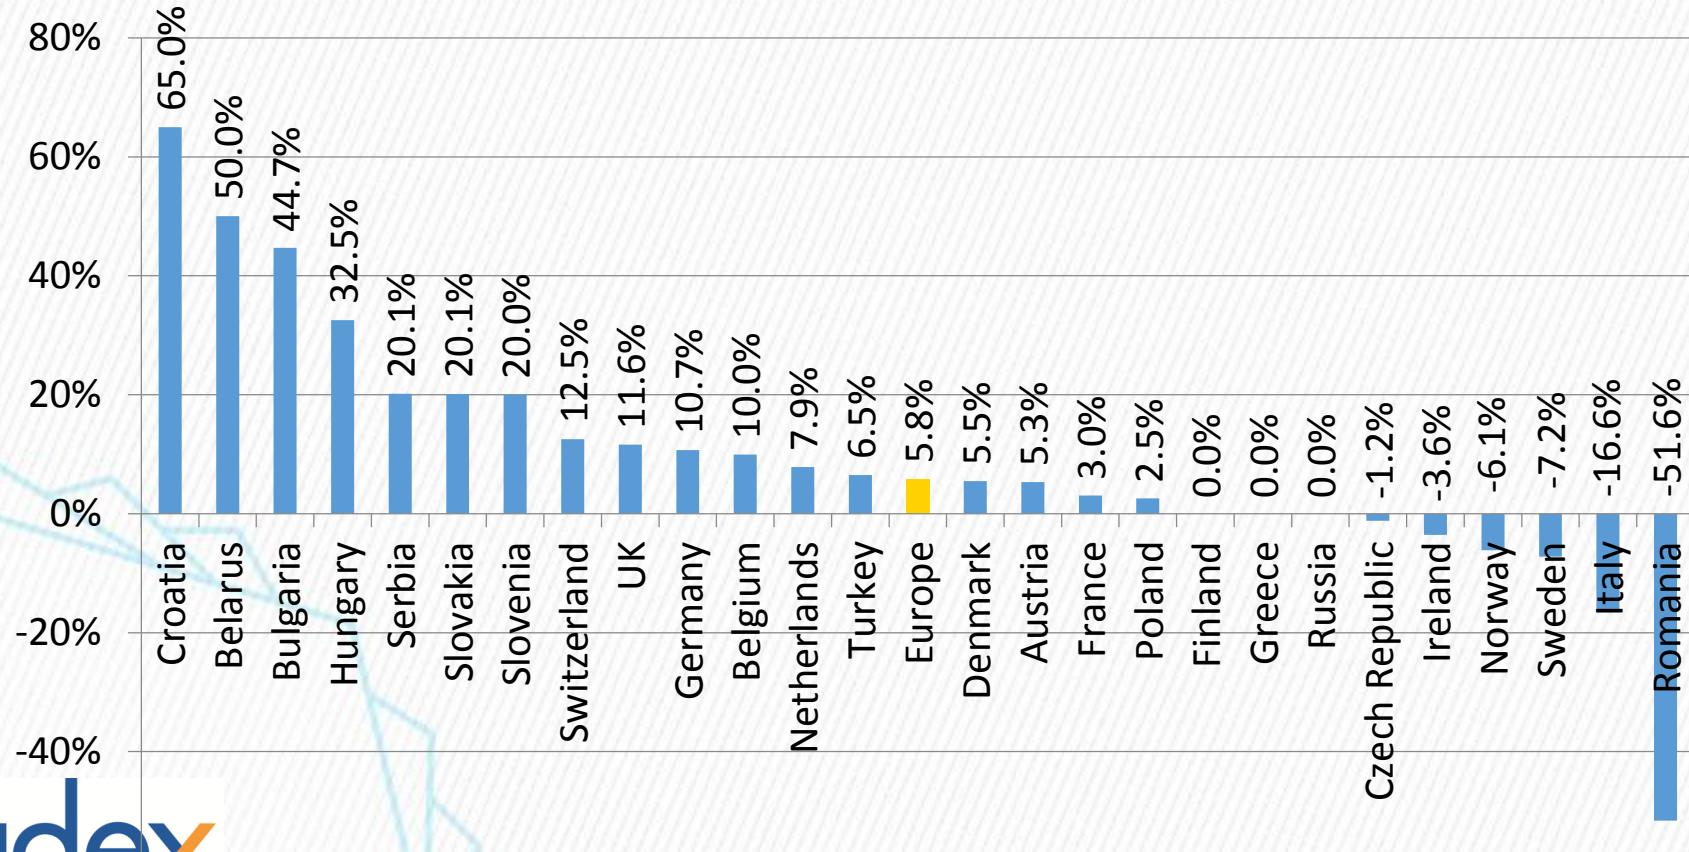

European
Display with
mobile: +15.2%

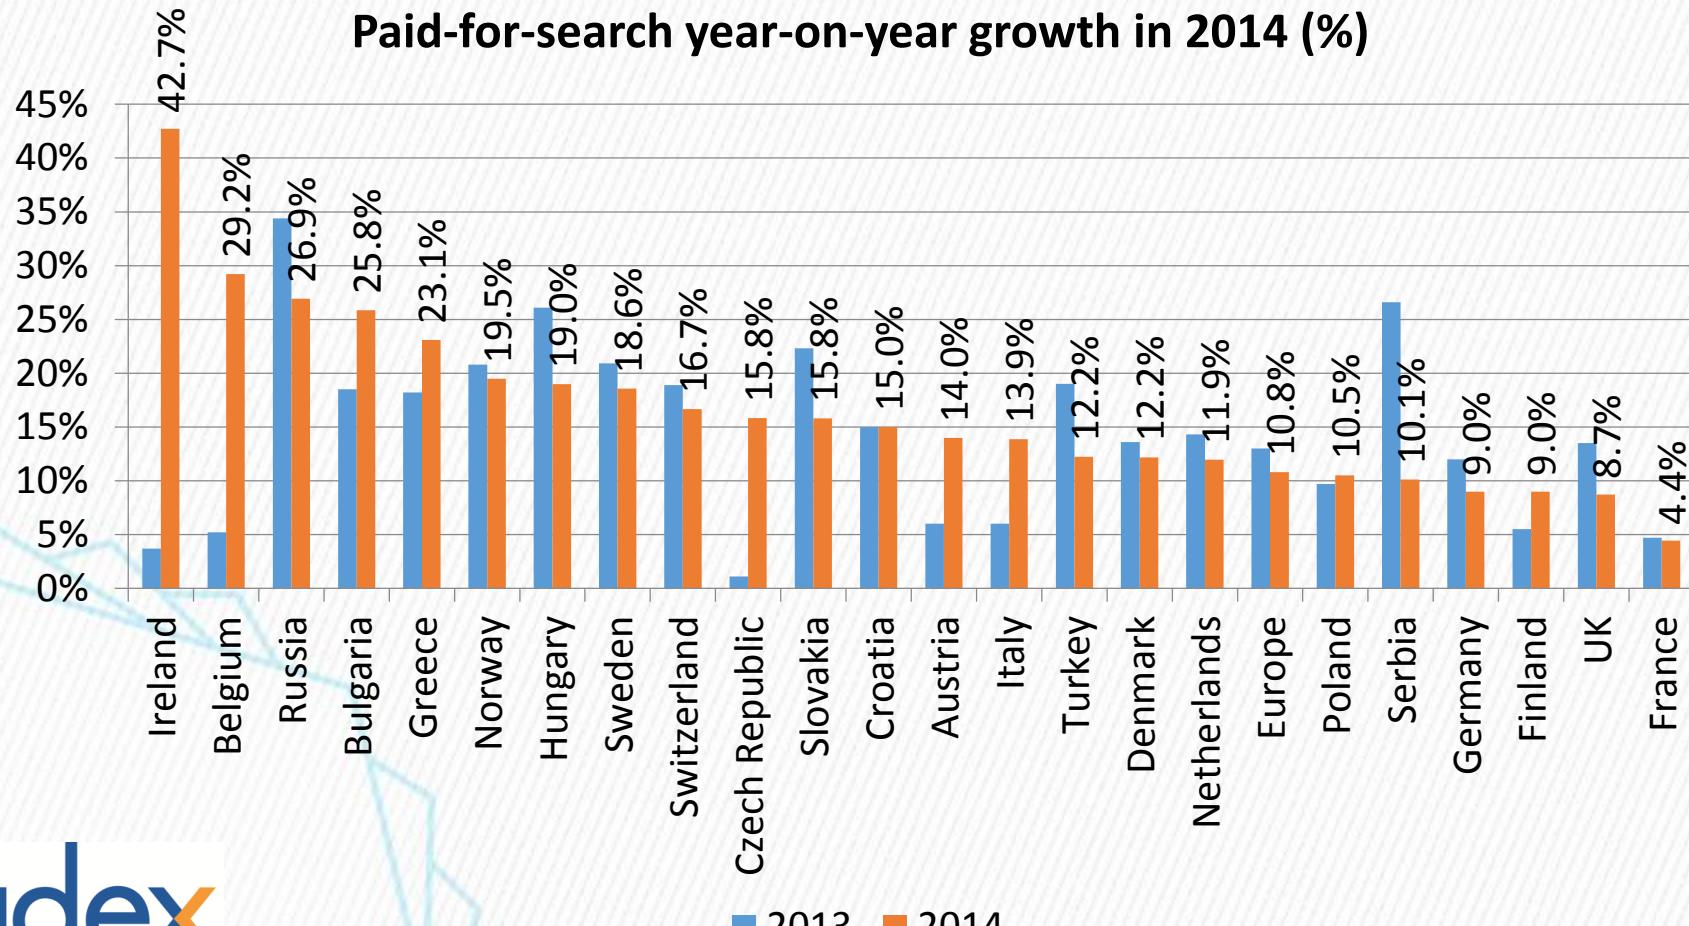

European
Display without
mobile: +7.9%

Classifieds & Directories struggled in 2014 with 11 countries experiencing decline

Classifieds & Directories year-on-year growth in 2014

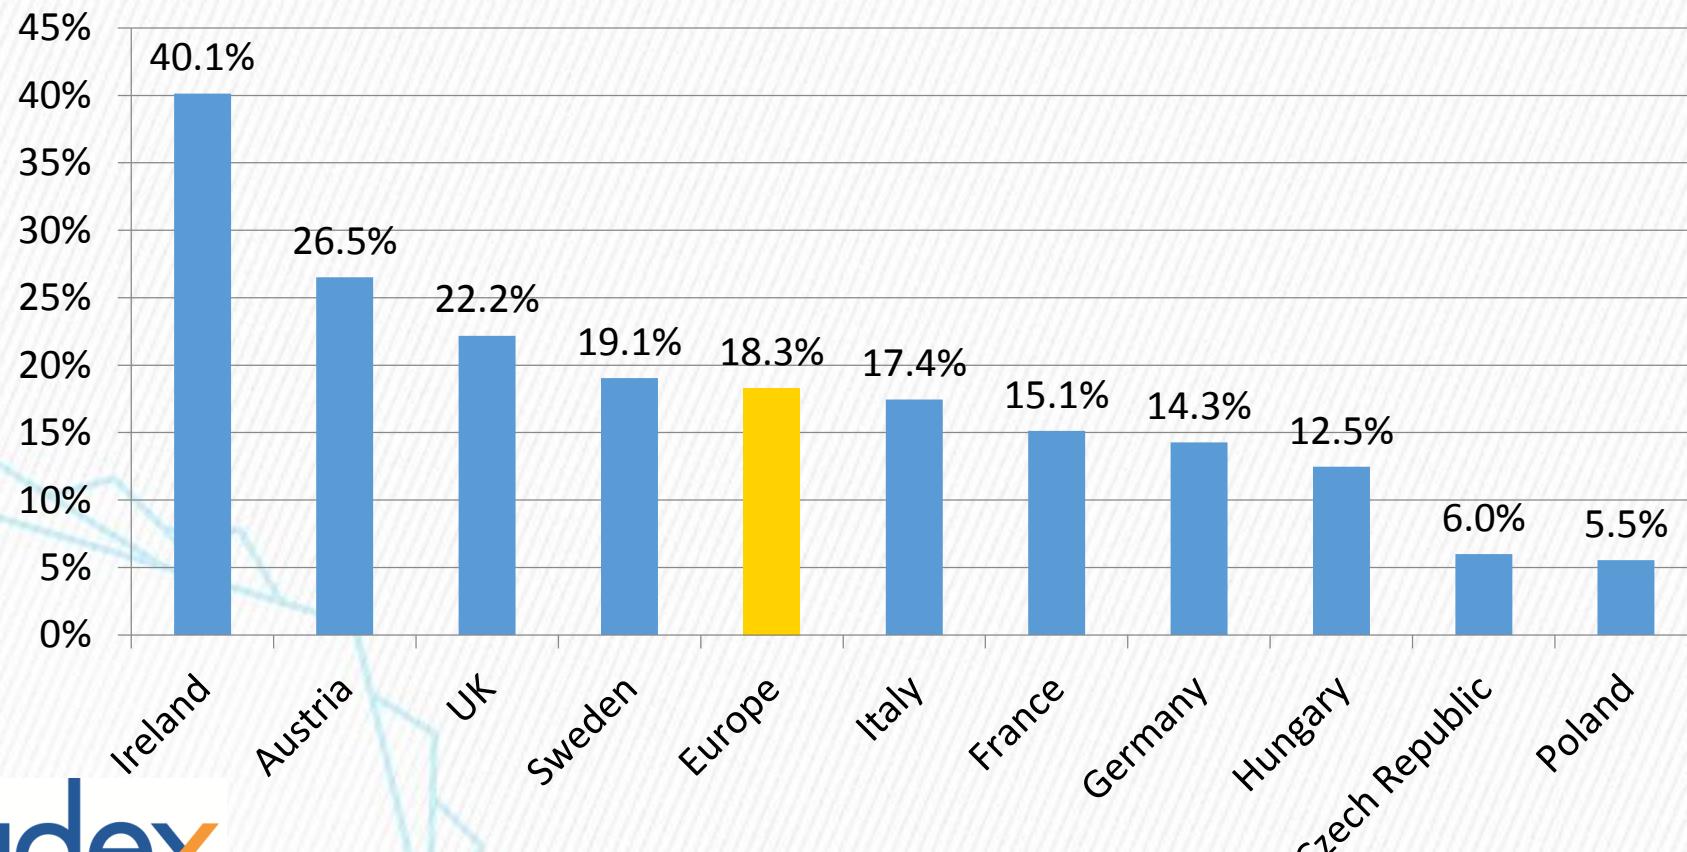

Deceleration of Search in mature markets dampens overall growth

Notable part of paid-for search is now mobile

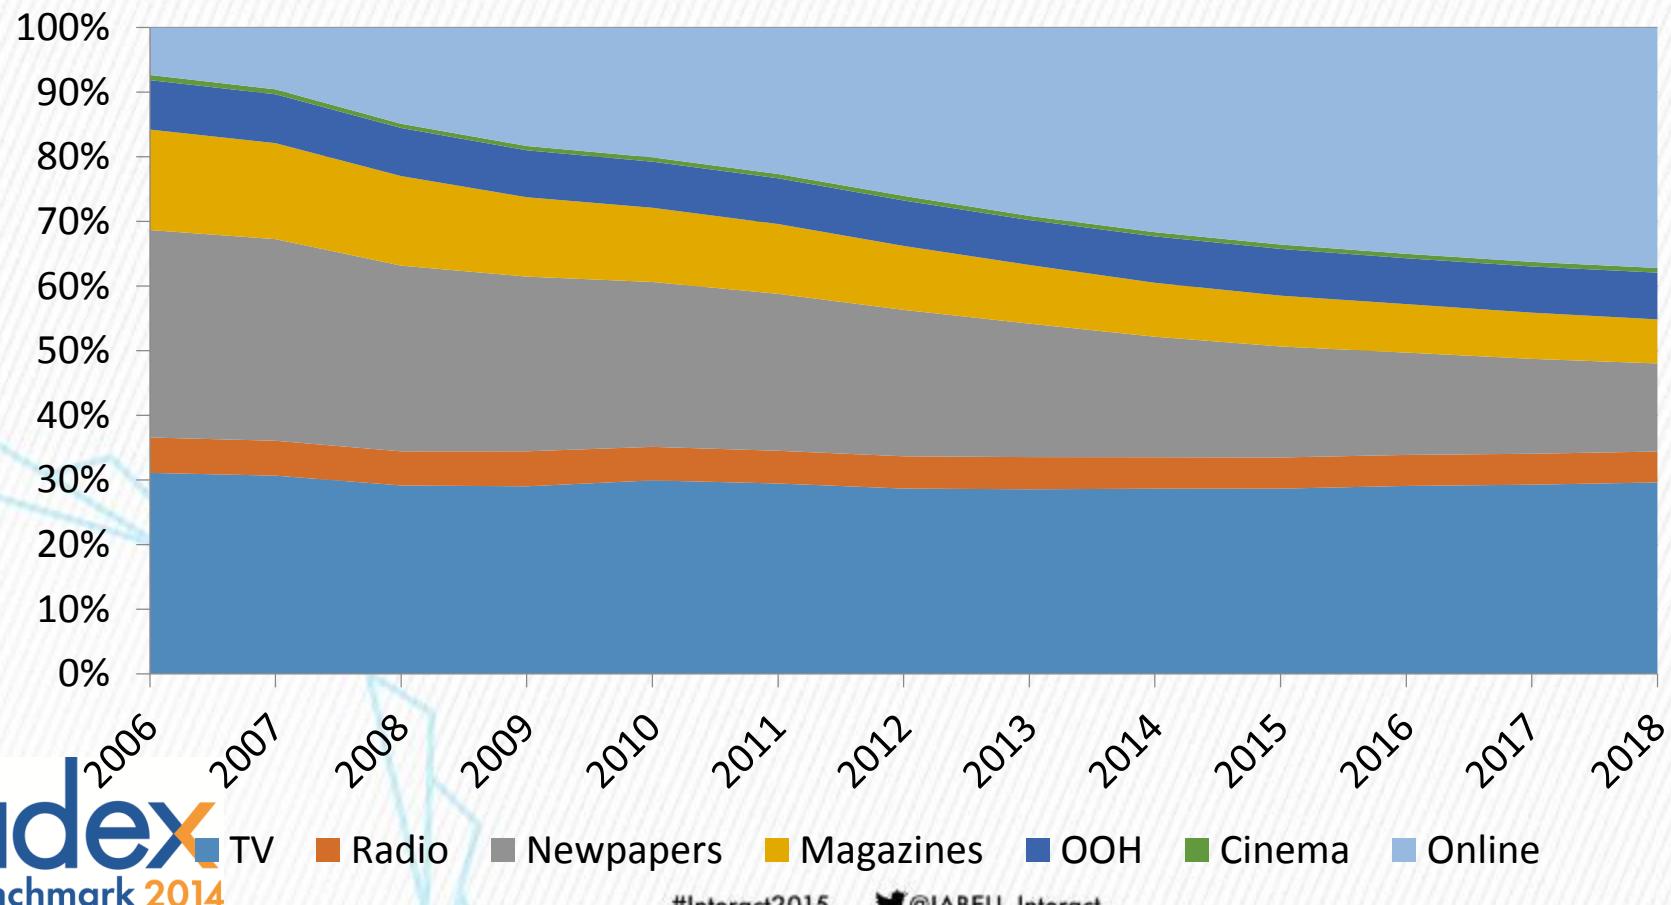

Mobile share of Paid-for-search in 2014

adex
Benchmark 2014

First market signals from IABs confirm outlook that online will command the highest share of all media ad spend in 2015

Media advertising revenue in Europe
